Franklin Maysville Medical Center Now Offering Pediatrics

Mobile, Alabama – Franklin Primary Health Center is proud to announce the addition of pediatric services at its Maysville Medical Center. The addition of pediatric services at Franklin Maysville Medical Center expands access to care for infants, children, and adolescents in the Mobile area and allows families to receive comprehensive, affordable, quality healthcare services closer to home.

Dr. Ryan Avery, MD will provide pediatric services for children ages 0-19 at the Maysville Center beginning July 1st. Dr. Avery provides preventive care, well-child visits, immunizations, treatment of acute illnesses, management of chronic conditions, and comprehensive

pediatric healthcare services designed to support children through every stage of development.

Dr. Avery graduated with a bachelor's degree from Oakland University in Michigan before attending medical school at the University of Medicine and Health Sciences on St. Kitts in the Caribbean. He then completed his pediatric residency at Hurley Children's Hospital in Flint, Michigan. Since joining Franklin Primary Health Center in 2022, Dr. Avery has provided compassionate, high-quality care to children and families throughout the communities Franklin Primary serves.

"We are proud to bring pediatrics back to the Franklin Maysville Medical Center," said **Charles White, CEO of Franklin Primary Health Center, Inc.** "Dr. Avery is a caring and compassionate pediatrician who will make patients and parents comfortable."

Dr. Avery is currently accepting new patients. To schedule a pediatric appointment with Dr. Avery, call (251) 471-3747, or go to [Franklin Primary Health Center - Maysville Medical Center](#).

The Franklin Maysville Medical Center is located at 1956 Duval Street, Mobile, AL, 36606, and provides adult medicine, pediatrics, OB/GYN, pharmacy, radiology, lab testing, behavioral health services, medical social work, and medication assistance.

Franklin Primary Health Center is a federally qualified health center serving communities throughout southwest Alabama. Since 1975, Franklin has been providing comprehensive, patient-centered healthcare services, including adult medicine, pediatrics, OB/GYN, behavioral health, dental care, pharmacy services, and adult and pediatric rheumatology. Franklin operates 21 locations across Mobile, Baldwin, Choctaw, Escambia, Monroe, and Conecuh counties, ensuring access to quality healthcare for all. To learn more about their services, please call (251) 432-4117 or visit franklinprimary.org.
