Franklin Primary Health Center Welcomes Board-Certified Psychiatric Nurse Practitioner Reabie LaDuna, PMHNP-BC, to the Behavioral Health Team.

Mobile, Alabama – Franklin Primary Health Center (FPHC) is pleased to announce the addition of **Reabie LaDuna, MSN, PMHNP-BC**, a board-certified Psychiatric Nurse Practitioner, to its behavioral health team. Her addition reflects Franklin’s continued commitment to expanding access to comprehensive behavioral health services across the communities it serves.

Ms. LaDuna earned her Bachelor of Science in Nursing from the University of Mobile and received her Master of Science in Nursing from Walden University. She is also completed the Nurse Practitioner Residency Program at the University of South Alabama, further strengthening her expertise in psychiatric and integrated care.

“Ms. LaDuna brings compassion, clinical expertise, and a strong commitment to behavioral health care,” said **Charles White, CEO of Franklin Primary Health Center, Inc.** “Her dedication to serving our community will help expand access to quality mental health services for the patients we serve.”

“I am committed to patient-centered care that makes a meaningful difference in our community,” said Ms. LaDuna.

Ms. LaDuna joins a growing behavioral health team at Franklin that provides a full continuum of services, including in-person and telehealth appointments, supported by two full-time psychiatrists and a multidisciplinary care team. This integrated approach ensures patients have timely access to high-quality mental health and substance use services.
